

Who Qualifies For Immunizations During The Vaccine Clinic?

San Bernardino County Department of Public Health is partnering with your school district to provide vaccines to school-aged children who are missing immunizations based on the criteria listed below:

Eligible

- School-aged children (grade levels TK/K through 12th) at a school located in San Bernardino County
- American Indian or Alaskan native
- Uninsured
- Medi-cal eligible*

*IEHP through Medi-cal does qualify

NOT Eligible

- Children whose health insurance covers the cost of vaccinations are not eligible for our vaccine clinic
- Children covered by medical savings or health savings accounts are not eligible
